Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. How does our heart guide decisions we make? Share some personal examples.
2. Read Hebrews 10:19-22. Discuss how the work of Christ purifies our heart.
3. Read 1 Corinthians 13:12. How will our view of God change when we see Him in heaven?

The Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Share as a family why it is important to listen to one another and discuss how not listening contributes to arguments.
2. Move beyond your family relationships, how could listening well improve our relationships with those we disagree with?
3. How can we hold onto truth when we engage in love with others who disagree with our faith?
