Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. 1 Peter 2:11-13 speaks to our conduct. How can the boundaries we create for our conduct create a legalistic attitude?
2. In light of our current cultural climate, how can we express loyalty to our country without it overtaking the need to keep Jesus first in our life?
3. How has Jesus modeled the type of conduct we should demonstrate each day?

The Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Discuss as a family how you have chosen to share roles and responsibilities, and why it makes a difference for a healthy family.
2. Read Ephesians 5:21 and discuss how each member of the family needs to submit to one another.
3. How can a family that puts Christ first impact culture for good?
