Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. Read Ephesians 2:8-9 and identify how salvation is described and who does the saving.
2. Have you ever struggled with doubting your salvation?
3. Read 1 Corinthians 1:8. Discuss the impact of Jesus sustaining us. How does that impact my eternal security?

Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Celebrate those that shared the Gospel with you by sharing some stories about them.
2. Read 2 Timothy 1:12. Why do we tend to trust things or people, other than God?
3. What does Romans 5:1 say is our source of peace? Why does this matter?
