## Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

## Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. How is God unique in His mercy and grace as compared to other views and religions?
2. Why does His grace and mercy differentiate Him? Read Ephesians 2:4
3. Read Hebrews 4:14-16. What difference does it make that we can confidently access God?

## Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. How does viewing Jesus as our High Priest help us better understand Him?
2. Read Matthew 8:17. What does it mean that Jesus took our weakness?
3. Is Jesus under qualified or overqualified to serve as our Priest? Why?
