## Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

## Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. Read Hebrews 10:1-3. How did the repeated sacrifices reveal the inadequacy of the sacrificial system?
2. Read 1 Samuel 15 and discuss how King Saul had mistakenly trusted in the system rather than the Savior.
3. How do we fall into the trap of trusting a religious system or rules rather than in Jesus alone?

## Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Share a personal example of a routine that you struggled to change but that produced results you did not want.
2. How does this common behavior compare to our spiritual journey of not receiving the forgiveness that Christ has already provided?
3. Read Ephesians 2:8-9 and discuss how what Christ has done compares to our best efforts.
