## Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

## Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. Share a personal example of an experience of pain or success where you have grown in faith.
2. Read Psalm 46 and discuss how God is our refuge and help in times of trouble.
3. How can we demonstrate a positive outlook on the future even when we are in tribulation? Consider the example of Joseph's life.

## Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Share an example of a parent or an adult that positively shaped your faith development.
2. How can our investments of time influence the faith of our kids and grandkids?
3. Read Exodus 12:21-30 and discuss how this was an act of faith by God's people.
