Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. Read Exodus 20:18-21. How are we like the Israelites in our fear to approach God even after He has extended an invitation?
2. Read Phil. 4:3 and Rev. 20:12-15 to discuss why it matters that our names are "enrolled" in the Book of Life.
3. What should corporate worship look like when we are consumed with Christ?

Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Have you ever wondered what the meaning of your name is? If you don't know, look it up!
2. Read Matthew 1:18:23. How does Immanuel change our perspective of how we live?
3. How can we share the hope of Immanuel with our family, friends, and neighbors?
