Starting Block

Feel free to share these with a pastor to discuss further.

1. What is one big idea you learned today?
2. What is a word you heard or a thought you'd like to study more?

Deep Dive

Use the following questions this week with family, friends, co-workers, or neighbors to go deeper into what you learned today.

1. Read John 3:16 and discuss how God's actions demonstrate His love for humanity.
2. Is anyone who shows love automatically a Christian? What does Romans 10:5-13 teach is the way to be made new?
3. Compare and contrast 1 John 2:19 and 1 John 4:7-8.

Springboard

Family Worship is a great time to jump into next week's sermon. Use these questions as a guide.

1. Read Romans 5:6-7. Is God's love for us related to our love for Him?
2. How does John 3:16 connect to John 4:9-10?
3. How is Jesus' death on the cross an expression of love?
